

St Leonards

Aylesbury . Buckinghamshire

St Leonards is ideally situated within 1 mile of Aylesbury town centre. The shopping centre is a short distance from the home and the village of Wendover is just a short car journey away. St Leonards is an award winning purpose built, two storey, courtyard style home that has been tastefully furnished and equipped as one of B&M Care's superior care homes.

Accommodation is provided in single en suite rooms, all of which may be personalised with the resident's own possessions to make them feel at home.

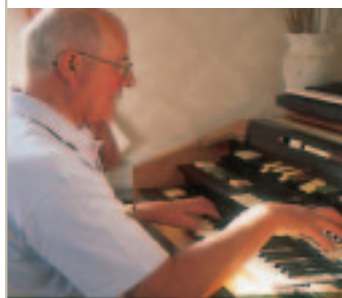

Residents may take their meals in our splendid dining room, in one of the smaller lounge/diners or if they wish, in their room. Our resident cook prepares a varied menu of appetising home cooked meals, taking into account nutritional balance and any specific dietary requirements or individual preferences. Morning coffee, afternoon tea and snacks are available throughout the day.

At St Leonards life is for living and a full and active lifestyle is encouraged. Our Activities Organiser arranges a varied social calendar of activities and entertainment, including trips to places of interest.

St Leonards also has a purpose built single storey courtyard style unit specifically built to cater for the needs of those suffering from a diagnosed dementia and provides a safe and secure garden and internal "walking path".
